STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

This large frame house probably contains an old house within its walls, perhaps several! The present large roof appears to extend over a conglomeration of chimneys large and small and wall spaces that seem to have been "evened up" afterwards, ~~the~~ though they might possibly be of greater interest before being treated as part of the homogeneous monolithic and result.

Many immature poplar and oak trees in the large south lawn form a fine setting, with firs and cedars in the north.
